Vocation Awareness Week

How can we discern God's will for our life? Nov 4-10th is Vocation Awareness Week. God has a special mission for each of us. A vocation is a call from God. What is HE calling your child to? We have several very special opportunities! Sister Eden from Bishop Noa Home has offered to come to visit each class once a month. What a way for a young person to see a vocation in which one gives ALL to Jesus? Thank you Sister Eden. Our parish priests will visit classrooms, too. They witness to Jesus' love & service. Thank you to all parish priests! We will also have the blessed opportunity to adore Jesus in the Eucharist on Thursday, November 8th. Parents are welcome to join your child in prayer for his/her vocation. Students are also welcome to sign up to take home a Vocations Box. This box includes items that encourage each vocation. There are short videos, prayer books and ideas for preparing for Holy Mass. Sign up with Mrs. Veaser to take home the Vocations Box.

Have you?

Signed up for a parent/teacher conference? Notes are going home to sign up for a time slot on either Wednesday evening, Nov 7 or Thursday afternoon, Nov 8.

A dumpster for scrap iron is at school

A scrap iron dumpster is a new way to fundraise for science programs here at Holy Name. It will help provide funding for the science classes, Science Olympiad team, and MDOT Bridge Building teams. People can put in any metal in the dumpsters, heavy things can be left alongside and we can get them put inside for you. The dumpster is located in the back of the school, by the garages. Head to the back of the parking lot towards the playground, you can't miss it.

Please no electronics, freezers, or refrigerators.
