Youth Evaluation Acknowledgement

As a participant in the Michigan State University Extension/ 4-H program, your child may be asked to help with the evaluation of the program. Your child may be asked to complete a short survey about what he/she learned or did as a result of the program. Surveys could be given before the program begins and/or after the program has ended. Surveys typically take no more than 10 minutes to complete. All surveys are confidential. Youth are not required to participate in a survey. If you or your child does not wish to participate, it will not affect involvement in any programs of Michigan State University. If you do not want your child to participate in program evaluations or have questions about the evaluation, contact your local 4-H coordinator at the MSU Extension Office. By signing below I acknowledge that my child may be asked to participate in a short program evaluation. I understand that program evaluations are completely voluntary.

Youth Medical Authorization Release

I recognize that while attending this program, medical treatment on an emergency basis may be necessary for my child, and I further recognize that volunteers or staff overseeing the program may be unable to contact me for my consent for emergency medical care. I do hereby consent in advance to such emergency care, including hospital care, as may be deemed necessary under the circumstances and to assume the expenses of such care.
